Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u>?	\$2,500/person or \$5,000/family for <u>In-Network Providers</u> . \$5,000/person or \$10,000/family for <u>Out-of-Network Providers</u> .	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible</u>?	Yes. Primary Care. <u>Specialist Visit</u> . <u>Preventive Care</u> . For more information see below.	This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other <u>deductibles</u> for specific services?	Yes. \$250/person maximum of 3 separate deductibles/family for <u>Prescription Drugs</u> for <u>In-Network Providers</u> . \$250/person maximum of 3 separate deductibles/family for <u>Prescription Drugs</u> for <u>Out-of-Network Providers</u> . There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this plan begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this plan?	\$6,350/person or \$12,700/family for <u>In-Network Providers</u> . \$15,000/person or \$30,000/family for <u>Out-of-Network Providers</u> .	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

What is not included in the <u>out-of-pocket limit</u>?	Pre- <u>Authorization</u> Penalties, <u>Premiums</u> , <u>balance-billing</u> charges (unless <u>balanced billing</u> is prohibited), and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u>?	Yes. See www.anthem.com/find-care/?alphaprefix=JPU or call (855) 333-5730 for a list of <u>network providers</u> . Benefits and costs may vary by site of service and how the <u>provider</u> bills.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>Out-of-Network Provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an <u>Out-of-Network Provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u>?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
