Incontestability

The validity of the Policy will not be contested, except for nonpayment of Premiums, after it has been in force for two years from its Effective Date.

The validity of a Covered Person's life insurance will not be contested after that Covered Person's life insurance has been in force for two years during the Covered Person's lifetime. No statement You make relating to Your or Your Dependent's insurability will be used in any contest unless:

- it is contained in a written application signed by You; and
- a copy of the Application has been furnished to You or to Your beneficiary.

Misstatement Of Age

If You have misstated Your Age or the Age of a Dependent, the true Age will be used to determine:

- the Effective Date or termination date of insurance; and
- the amount of insurance; and
- any other rights or Benefits.

Premiums will be adjusted if too much or too little was paid due to the misstatement.

GENERAL PROVISIONS APPLICABLE TO ALL BENEFITS EXCEPT LIFE INSURANCE

Incontestability

The validity of the Policy will not be contested, except for nonpayment of Premium, after it has been in force for two years from its Effective Date. The validity of a Covered Person's insurance will not be contested after that Covered Person's insurance has been in force for two years during the Covered Person's lifetime.

Notice Of Claim

If You or Your insured Dependent have an Injury or Illness that may result in a claim for benefits under this Policy, written notice must be given to Us at our Home Office or to one of Our authorized agents. This must be done within 20 days after a covered loss begins. If notice cannot be given within that time, it must be given as soon as is reasonably possible. The notice must contain enough information to identify the claimant.

Claims Forms

When We or the Program Manager receive written or verbal notice of a claim for Life, Accidental Death and Dismemberment or Disability, claim forms will be sent with which to file Proof of Loss. If these forms are not given to the claimant within 15 days, the claimant will be excused from filing the forms as long as the person sends us Proof of Loss as described below.

Proof Of Loss

Proof of Loss includes, but is not limited to, information about the extent, time, place, and events surrounding a loss.

Written Proof of Loss must reach Us:

- for a disability claim, within 90 days of the beginning of the period for which benefits are payable; and
- for a stay in a Hospital, Skilled Nursing Facility or other health care facility, within 90 days of the end of the stay for which benefits are payable.

Written proof for all other losses must reach Us within 90 days of the loss. These time periods may be extended up to an additional year so long as You cannot reasonably furnish written Proof of Loss. This time limit does not apply so long as You do not have legal capacity.

Time Of Payment Of Claims

Benefits for loss of time will be paid as shown in the Policy for that benefit section. Any amount unpaid at the end of the period for which claim is made will be paid as soon as We receive written Proof of Loss. Benefits for all other types of losses will be paid as soon as they accrue so long as We receive written Proof of Loss.

Payment Of Claims

Benefits payable under this Policy will be directly to: (a) You; (b) Your legally appointed guardian if You are not legally able to accept such benefits; or (c) a provider of medical treatment or services if a written assignment is made.

In the event You die and on the date You die there is: (a) no named Beneficiary or (b) no living named Beneficiary, We may at Our option, pay any benefits due under this Policy to the following survivors in order of precedence: (1) Your spouse, (2) children born to or legally adopted by You, share and share alike, (3) parents, or (4) Your estate.

Any payment made in good faith fully discharges Us to the extent of that payment. Failure to honor an assignment to a provider or Doctor due to inadvertent error will not subject Us to double payment.

Free Choice Of Doctor

You and Your insured Dependents have free choice of a Doctor. The Doctor-patient relationship will be maintained.

Legal Actions

No action at law or in equity may begin prior to 60 days after We receive a valid written Proof of Loss. No such action may begin after three years from the day written Proof of Loss was required.

Workers' Compensation Not Affected

This policy does not replace or change any requirement for Coverage under Workers' Compensation insurance.

CONTINUATION OF COVERAGE

THIS PROVISION IS SUBJECT TO THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1985 (COBRA) AND ALL SUBSEQUENT LAWS EFFECTING THIS ACT.

This provision applies to an Employer with twenty (20) or more Employees on a typical business day during the preceding Calendar Year if group health Coverage was provided to Employees. Due to COBRA's complexity, this provision only includes information that would allow a qualified beneficiary to make a general determination of his rights under the law.

This provision is not a detailed account of the law and does not contain the full text of the law or regulations. Therefore, it is imperative that legal counsel or other appropriate counsel be sought for additional needed information.

Generally, all group health plans with over twenty (20) Employees are directly affected under COBRA or, under a federal law that COBRA may have amended. The only plans that may be exempt are church plans, state and local government group health plans and plans maintained by the Government of the District of Columbia or any territory or possession of the United States. Your Employer or plan administrator may be contacted for the plan's exempt or nonexempt status.

An individual may be eligible for Coverage if on the day before a qualifying event he was covered under his Employer's group health plan. If Coverage was lost due to a qualifying event, continuation of Coverage may be available for a certain period of time. Non-resident aliens who do not receive any United States income are not qualified B-beneficiaries and cannot continue under COBRA.

The term "qualified beneficiary" means, with respect to a covered Employee any other individual who, on the day before the qualifying event for that Employee, is a beneficiary under the plan as:

- a. The spouse of the covered Employee;
- b. The Dependent child of the covered Employee;
- c. The surviving Spouse of the covered Employee; or
- d. A child born to or adopted by a covered Employee during a period of COBRA Coverage.

The term "qualifying event" means, with respect to any covered Employee, any of the following events which would result in the loss of Coverage of a qualified beneficiary.

QUALIFYING EVENTS AND MAXIMUM CONTINUATION PERIODS:

1. 18 Months:
 - Termination of covered Employee's employment (except for gross misconduct)
 - The covered Employee's reduction of work hours.
2. 36 Months:
 - The death of the covered Employee.
 - The covered Employee's legal separation or divorce from the Employee's spouse.
 - The covered Employee's entitlement to Medicare.
 - The Dependent child ceasing to be a Dependent child under the terms of the Plan.
3. 29 Months:
 - Only applies if the qualifying event was a termination of employment (except for gross misconduct) or a reduction in work hours that allowed an eighteen (18) month period of continuation.

In order to qualify for the additional eleven (11) months of coverage, the Social Security Administration must make a determination that the qualified beneficiary was disabled at the time of a termination or reduction in hours of employment or that covered Employee or qualified beneficiary became disabled at any time during the first sixty (60) days of COBRA continuation coverage. If the covered Employee or qualified beneficiary entitled to the additional eleven (11) months of coverage has non-disabled family members who are entitled to COBRA continuation coverage, those non-disabled family members are also entitled to the additional eleven (11) months of coverage. If the covered Employee or qualified beneficiary is determined to be disabled, the covered Employee or qualified beneficiary must give notice to the plan administrator within sixty (60) days of the Social Security determination and before the end of the original eighteen (18) month continuation period. The plan administrator may charge an additional amount for this Coverage.

CONTINUATION OF COVERAGE

Coverage will terminate if a covered Employee or qualified beneficiary recovers from the disability during the eleven (11) month period. The covered Employee or qualified beneficiary is responsible for notifying the plan administrator within thirty (30) days of the date the Social Security Administration no longer finds the disability to exist. Coverage can terminate in the month that begins more than thirty (30) days after the determination date of the Social Security Administration.

4. Certain Bankruptcy Proceeding Under Title 11, United States Code: Under this special proceeding, loss of Coverage means a substantial elimination of Coverage within one (1) year before or after the Employer has entered into a bankruptcy proceeding.

For the purpose of this special proceeding, a qualified beneficiary may be a covered Employee who retired on or before the date of the loss of coverage and any other individual who on the date before the event was:

- a. The Spouse of the covered Employee;
- b. The Dependent child of the covered Employee;
- c. The surviving Spouse of the covered Employee; or
- d. A child born to or adopted by a covered Employee during a period of COBRA coverage.

It appears that Coverage may continue until the death of the covered Employee or qualified beneficiary, or up to thirty-six (36) months for the surviving Spouse or Dependent child(ren) of the covered Employee after the date of the death of the covered Employee.

As Bankruptcy Laws and COBRA are two (2) very distinct and unique laws, legal counsel should be consulted before determinations and actions commence under this qualifying event. For notification and election termination, reduction of hours, death, bankruptcy, the Plan Participant must notify the plan administrator within thirty (30) days of the qualifying event. The plan administrator will then provide written notice to the covered Employee or qualified beneficiary within fourteen (14) days. The covered Employee or qualified beneficiary must then elect COBRA coverage within sixty (60) days.

The election period will end sixty (60) days after the date of the qualifying event or sixty (60) days after the date the written notice was received, whichever is later. In addition, the required Premium must be paid within forty (45) days of the date of election.

For divorce, legal separation or ineligibility of a Dependent under the plan each covered Employee or qualified beneficiary must notify the Employer or plan administrator within sixty (60) days of the event. If the notice is not sent to the Employer or plan administrator within sixty (60) days, the group health plan does not have to offer the qualified beneficiary an opportunity to elect continuation Coverage.

Once the plan administrator is notified of the event, the plan administrator will provide written notice to the qualified beneficiary. The qualified beneficiary must then elect COBRA coverage within sixty (60) days. The election period will end sixty (60) days after the date of the qualifying event or sixty (60) days after the date the written notice was received, whichever is later. In addition, the required Premium must be paid within forty-five (45) days of the date of election. Notification to an individual who is qualified as the Spouse of the covered Employee, will be treated as notification to all other qualified beneficiaries residing with the Spouse at the time of the notification.

Each qualified beneficiary has the opportunity to make an independent election. However, if a qualified beneficiary who is the Spouse of a covered Employee makes an election to provide any other qualified beneficiary with COBRA coverage, the election will be binding on that qualified beneficiary.

CONTINUATION OF COVERAGE

Waiver:

If a covered Employee or qualified beneficiary waives the right to continue under COBRA and later revokes the waiver, he must do so within the election period. Coverage will not be provided during the period of time when coverage was waived. Waivers and revocations are considered made on the date they are sent to the Employer or plan administrator.

Other Reasons Why Cobra Coverage May Terminate:

COBRA continuation coverage can end prior to the maximum continuation period due to any of the following events:

- A. The first day on which timely Premium payment is not made.
- B. The date upon which the Employer ceases to maintain any group health plan.
- C. The date upon which the covered Employee or qualified beneficiary is covered under any other group health plan whether or not such new plan contains limitation periods with respect to any pre-existing condition as long as the limitation period does not apply to the covered Employee or qualified beneficiary.
- D. The date the covered Employee or qualified beneficiary is entitled to Medicare. However, this event by itself may not end coverage for a covered Employee or qualified beneficiary who has End Stage Renal Disease. "Entitled" means - having made application and qualified for Medicare.
- E. The date on which Coverage would terminate for similarly situated active Employees to whom a qualifying event had not occurred.

Any alternative continuation coverage will not extend the maximum COBRA coverage period and will run concurrent with COBRA continuation.

When a covered Employee or qualified beneficiary's coverage ends under COBRA, and if the policy provides the right to convert to a health plan, the covered Employee or qualified beneficiary will be entitled to the conversion privilege. The plan administrator may be contacted for additional information on COBRA. If further information is needed the U.S. Department of Labor, Pension and Welfare Benefits Administration, 200 Constitution Avenue, N.W. - Room N-5658, Washington, DC 20210 may be contacted.

CONTINUANCE OF COVERAGE

Benefits for the Plan Participant and his Dependents may continue past the day they would otherwise cease as provided under Termination of Coverage upon payment of the required premium.

The Plan Participant's coverage will continue:

- A. For up to two (2) months after he ceases full-time work due to temporary layoff or leave of absence; or
- B. For up to six (6) months after he ceases full-time work due to Illness or Injury; or
- C. Until the first day of the Plan month following any month in which the number of hours worked falls below the required minimum. Dependent coverage will continue if A. or B. above apply to the Plan Participant.

This coverage will not continue if the Plan Participant begins work for pay or profit with another employer.

The Plan Sponsor must follow a plan which prevents individual selection. If benefits are to be continued under this provision, written notice must be provided to Us by the Plan Sponsor if a Plan Participant is pensioned, retired or absent from work for any other reason. State law may provide a special continuance of coverage when You terminate. See your Plan Sponsor for details.
